

# We invite you to join the Ferndale Chamber of Commerce

We strive to maintain and enhance the quality of life we treasure through preservation and promotion of our heritage: the beautiful and vital communities of Ferndale and the Eel River Valley.

To do business in Ferndale you are required to have a license from the City. You are *not* required to belong to the Ferndale Chamber of Commerce, but you would be a part of the bigger business picture if you were.

The Victorian Village is easy to promote. Selling ourselves as a Chamber is harder. We have no political affiliation, nor do we endorse or advocate for any political candidate. We support all businesses. We've decided it's more important to attract visitors by touting Ferndale's variety than to restrict our promotions to members only, as most chambers do. By putting membership dollars to work in our community, the Chamber accomplishes things for a fraction of the cost of other agencies. Mainly that's because we're all volunteers helping our home town.

We are already at work for you. We would appreciate your participation and support in the form of an affordable \$50 business membership. Then consider adding a contribution to our co-operative advertising program to help further our promotional efforts **for our mutual benefit**. Any amount you give to our marketing program makes us stronger and enables us to work together toward a healthier economic future in the Eel River Valley.

**Working together we can make our dreams real. Join Us!**
